It's Included

We offer farmers access to E-luminate® Mobile at no additional cost with their seed purchase. Download the E-luminate Mobile App available on the app store, and discover the convenience of having the ability to make data-driven decisions at your fingertips.

Your Seed Advisor

While our innovative technology and data management go far, our expert team of Seed Advisors make the difference in turning that data in to maximum yield potential. Your local Seed Advisor compiles, analyzes and uploads data and insights onto E-luminate for you, using a wealth of experience to delve deeper into your acres and maximize their potential.
